To Whom It May Concern,

It is my pleasure to enthusiastically recommend Pavel Castro for your Organization.

My name is Raymond Sherbourne, Senior Technician at Computers 4 Kids. I had the pleasure of working with Pavel Castro between Early Fall 2023 and Mid Spring 2024 while he was one of our Computer Technicians. Of all the Computer Technicians I've worked with, Pavel is among the most diligent.

During our time together, Pavel proved to be timely, neat, and efficient. His/her/their expertise in computer reimaging was a huge asset that led to us meeting many close deadlines.

Pavel has shown me many times his willingness to learn and adept skill at applying those new skills quickly. He has often asked me for help initially to instead go to pass it on to others in our workspace allowing all of us to be more knowledgeable. His team skills are impeccable and he shows a good knowledge of communication skills with co-workers and the public.

I am confident without reservation that Pavel Castro would be an excellent fit for your organization. They will be a productive addition to your organization.

Feel free to contact me at 916-256-7483 or preferably, e-mail me at [seniortech.rs@c4kca.org](mailto:seniortech.rs@c4kca.org) if you have any questions or would like me to further elaborate on Pavel's talents and achievements.

Sincerely,

Raymond Sherbourne
